Install your Base Station

The Base Station is the brains and primary siren of your system. It communicates with all of your devices and sends us your alarm signals if you have activated alarm monitoring service.

1. Place your Base Station in a central location in your house. Don’t install it on the floor.

2. Plug the Base Station into a power outlet using the included power cord.

- Make sure the power outlet is not controlled by a light switch which could accidentally cut power to the Base Station.

- Your Base Station’s LED light indicates the status of the system. Blue means it’s armed, no light means it’s disarmed.
Install your Keypads

1. Follow the onscreen instructions for setting your Master PIN.

2. Adhesive tape has already been installed on the back of the Keypad—just peel and stick. If you make a mistake, see “How do I move a sensor?” on page 19.

3. Adhere the Keypad to the wall by your main entrance. You can take the Keypad with you to name your devices as you install them. After you adhere the Keypad to the wall just slide it up and off its bracket.

Press down on the sides of the screen to navigate the Keypad menus.

Your system has 3 modes: **Off**, **Home**, and **Away**. Pressing Home or Away will arm your system and pressing Off will disarm it.

Slide Keypad up and off its bracket to bring it with you as you install the rest of your devices.

You can “wake up” the Keypad by touching the body of the Keypad.
Install and Name your Devices with the Keypad

1. Press button on a device to test and name

When the Keypad prompts you, remove the battery tab on the device you want to install, then press its Test Button.

2. Name Motion

Living Room set
Kitchen
Basement

Choose from the list of names on the Keypad, and then follow the instructions for installing the device on the following pages.
Install your Motion Sensors

Motion Sensors detect motion within 30 feet. They look straight ahead and 90° to the left and right as well as downward at a 45° angle. Mount it in a corner for maximum coverage of your room.

1. Place the Motion Sensor on a shelf or adhere it to a wall, approximately 4 to 5 ft off the ground. Avoid placing the sensor near a heater, air conditioner, lamp, or electronics (such as a WiFi router).

   ![Motion Sensor Diagram]

   **Test Button:** Install with button facing upwards

   - **Dog Owners:** For pets over 30 pounds, install button-side down, about 4 feet off the ground.

   - **Cat Owners:** Place the motion sensor so that cats cannot climb near it, button-side up, 6 to 10 feet off the ground.

   - Motion Sensors are active in Away Mode only by default. Put the alarm in Home Mode and you can move freely about your home without setting off an alarm.
Install your Glassbreak Sensors

Glassbreak Sensors are programmed to “listen” for the specific frequency of glass breaking.

- Place the Glassbreak Sensor on a shelf or adhere to a wall less than 20 feet from the windows you’d like to protect.

- Avoid placing your Glassbreak Sensor in the kitchen, as glasses knocking into each other could trigger a false alarm.

- Curtains can dull the sound of glass breaking. If your windows are covered in heavy curtains, place your Glassbreak Sensor within 5-10 ft of your windows.
Install your Entry Sensors

1. Line up the magnet and sensor on the door or window so that the grooves align and the pieces are less than 2 inches apart when the door or window is closed.

2. Test the alignment before you adhere each piece. The blue light should flash once when the door or window opens and twice when it closes.

3. Adhere the sensor on the door and the magnet on the doorframe, or the other way around. There is no “right side up.”

**Examples:**

- [Image of sensor in a closed position](CLOSED)
- [Image of sensor in an open position](OPEN)
- [Image of sensor in a closed position](CLOSED)
- [Image of sensor in an open position](OPEN)
Install your Panic Buttons

Panic Buttons will trigger an alarm when you hold down the button for 2 full seconds.

1. Adhere the panic button to a wall in your master bedroom or anywhere you want a bit of extra security.

- The red LED in the top right corner will flash when your panic signal has been sent.
- When you’ve put your system in test mode, the panic button itself becomes its test button.
Install your Extra Sirens

1. Adhere the siren within 100 feet of the Base Station. Press and hold it to the wall for 30 seconds to ensure it stays in place.

2. For permanent installation, push up on the siren to remove it from its bracket. Then screw the bracket into the wall with the included screws.

- Install your siren by the front door to scare away intruders.

- Be cautious when testing your 105 dB siren. Prolonged exposure can cause hearing damage.

- Use your Keypad menu to configure your siren’s volume and settings.

Three pulse temporal pattern for evacuation use only.
Install your Smoke Detectors

1. Remove mounting bracket from the detector by rotating it counterclockwise.

2. Install the bracket on the wall or ceiling using the included screws and wall anchors.

3. Push the Smoke Detector against the mounting bracket and rotate it clockwise until it **snaps** into place. A solid yellow light means it is **not** snapped in place.

» Place Smoke Detectors near your sleeping areas. For maximum protection, place one on each level of your home.

1. Do not install near your furnace, stove, fireplace, kitchen, garage, or bathroom with a shower.

This detector is for household use only. There are local laws that apply to Smoke Detectors. Please refer to the information included in the detector box and consult with your local fire department regarding any requirements.

Note: For instructions on a UL 985 conforming installation you must contact SimpliSafe
Install your CO Detectors

1. Separate the mounting bracket from the back of the Carbon Monoxide Detector by rotating it counterclockwise.

2. Mount the bracket to your wall or ceiling using the included screws and wall anchors.

3. Push the CO Detector against the mounting bracket and rotate it clockwise until it **snaps** into place. A solid yellow light means it is **not** snapped in place.

- **Typical installation locations:** Near bedrooms and on each level of your home.

- **Do not install near your** furnace, stove, fireplace, kitchen or garage.

This detector is for household use only. There are local laws that apply to CO Detectors. Please refer to the information included in the detector box and consult with your local fire department regarding any requirements.
Install your Water Sensors

Water Sensors prevent damage from leaks and floods. You can place one in the drip pan of your water heater or washing machine, or near bathroom plumbing to detect any leaks, overflows or broken plumbing.

1 For the simplest installation, simply place your Water Sensor on the floor.

- Most homeowners insurance companies will give you an extra discount for having Water Sensors installed.

- Your Water Sensor does not need to be adhered, but if you choose to adhere it using the extra adhesive tabs, make sure not to cover up any of the 6 metal contact points on the bottom of the device.
Install your Freeze Sensors

1. Adhere the Freeze Sensor on the wall near your home’s main thermostat or near any exposed plumbing that’s vulnerable to burst during a freeze.

You can change the sensor’s temperature thresholds in the device settings in the Keypad menu.

Avoid your boiler room, which may stay warm long after a furnace failure.

Most homeowners insurance companies will give you an extra discount for having Freeze Sensors installed. Contact your insurance agent for details.
Install your SimpliCams

Install your SimpliCams after the rest of your system.

1. Slide the stand off the camera.

2. Insert the Micro-USB into the port on the back of the camera. Replace the stand, and plug the cord into a power outlet.

3. Launch the SimpliSafe app on your smartphone to begin installation.

With a recording plan, SimpliCams will capture a recording if an alarm is triggered, if your system is armed or disarmed, or if there is a secret alert.

When your SimpliCam is all set up, the top status light will be blue. A smaller red light beneath the status light is used at night to help illuminate your room.

Apple and the Apple logo are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc., registered in the US and other countries.
Activate Alarm Monitoring

In the event of an emergency, professionally trained operators will contact you and dispatch the authorities. This service is not available until you activate your subscription.

1. Write your Base Station serial number here (located on the bottom of your Base Station) so you have it handy during activation.
   
   SERIAL #: 

2. Activate at simplisafe.com/activate

After you activate your subscription, your system will be in Practice Mode for 72 hours while you get used to using your alarm. The alarm will function normally, but you will not receive emergency dispatch. After 72 hours, you will be notified that your Dispatch Service is live.

Setup WiFi

Your sytem has built in cellular and wifi. The cellular will connect automatically. By setting up wifi, your system will update faster and be more secure.

1. Press menu on your Keypad, enter your Master PIN, and navigate to “System Settings” then to “WiFi.”
How Monitoring Works

The siren sounds when one of your sensors is triggered.

Your Base Station then wirelessly contacts the monitoring center.

The operator will contact you and others you designate.

Unless you cancel the alarm with your Safe Word, the operator will send the police or firefighters.

What happens when a sensor is triggered?

1. When your alarm is on and one of your sensors is triggered, the Keypad will start beeping and prompt you for your PIN. You have 30 seconds to turn the alarm off—this time is called the entry delay and can be customized in the Keypad menu.

2. If the alarm is not turned off within the 30 second entry delay, SimpliSafe will sound a siren for four minutes and send an alert signal to our Emergency Dispatch Center (you must activate your service in your online account for this service to function).

3. Upon receiving the signal, the Dispatch Center will attempt to contact you.

4. If it was a false alarm and you provide your previously chosen Safe Word, no authorities will be dispatched.

5. If it is a true emergency or if they are unable to reach you, they will immediately dispatch the police or fire department to your location.

6. Your alarm system will automatically re-arm, but the sensor that caused the burglar alarm will be disabled until the alarm system is dis-armed and re-armed again.

Some police and fire departments may require you to have an alarm permit or license. Please contact your local police and fire department for details (do not dial 911 for this). You can also find permitting information that SimpliSafe has on file for your location by clicking the “Permit Information” link in your online account.
Congratulations!

Setup is complete and you can now start using your SimpliSafe system. Feel free to read on for more information about your system.

<tr>
<td>COMMON QUESTIONS</td>
<td>19-20</td>
</tr>
</tbody>
</table>
Using your System

Put your system into Away Mode

Use this mode when you are leaving. All of your sensors, including Motion Sensors, will be active.

• Press “away” on your Key Fob or Keypad.

• You have 60 seconds to exit before the alarm is active. To cancel during the exit delay, simply press “off”

Put your system into Home Mode

Use this mode when you are staying home. All of your sensors will be active, except for Motion Sensors.

• Press “home” on your Keypad.

Turn your system Off

Use the same method to turn off your alarm, whether it’s in Home or Away Mode.

• Press “off” on your Key Fob or press “off” on your Keypad followed by your 4 digit PIN.

If a sensor is triggered, there will be a 30 second entry delay before the alarm siren sounds and the Dispatch Service is notified.

Putting your system into Test Mode

We recommend you test your system regularly and after making any changes.

• In “menu” select “test mode”

• Follow the instructions on the Keypad to test your devices. The Base Station will announce the sensor type to confirm that it has received the signal.

• Press the left arrow to exit Test Mode.

• If you have a professional monitoring plan, you will receive a phone call confirming the test.

Motion Sensors: Press the Test Button on the top of the Motion Sensor. For an accurate test, leave the room for the sensor you are testing then wait 15 seconds. Re-enter the room and the Base Station will say “Motion Sensor.”

Glassbreak Sensors: Press Test Button on the top of the sensor then clap your hands loudly near your windows.
**Entry Sensors:** Open and close protected doors and windows.

**Panic Buttons:** Hold the Panic Button down for 2 seconds.

**Smoke and CO Detectors:** Hold the Test Button on the front of the sensor for 4 seconds. The sensor will beep 3-4 times.

**Extra Siren, Water and Freeze Sensors:** Press the Test Button on the top of each sensor.

---

## Keypad Warnings

SimpliSafe will warn you of potential problems with a flashing red light on the Base Station and/or a ⚠ displayed on the Keypad. Access these messages by pressing the right edge of your screen. Here are some common warnings:

<table>
<thead>
<tr>
<th>Warning</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Entry Sensor Open</strong></td>
<td>SimpliSafe is warning you that you may have left a door or window open. If they are already closed, make sure each Entry Sensor and its magnet are less than 2 inches apart.</td>
</tr>
<tr>
<td><strong>Low Battery</strong></td>
<td>Slide the sensor up and off of the wall (the bracket will remain adhered to the wall) and replace the batteries.</td>
</tr>
<tr>
<td><strong>Keypad Out of Range</strong></td>
<td>If you see this message frequently, your Keypad and Base Station may be too far apart for reliable wireless communication. Try moving them closer together.</td>
</tr>
<tr>
<td><strong>Sensor Error</strong></td>
<td>A wireless sensor is not responding. Move the sensor and Base Station closer together or replace the sensor’s battery. If the sensor displayed on your Keypad is not one of your sensors or it is not installed, remove that sensor from your system (page 20).</td>
</tr>
<tr>
<td><strong>Power Outage</strong></td>
<td>Your Base Station will function as usual for up to 24 hours on its rechargeable backup battery. If your home has not lost power, make sure the wall plug is securely inserted into your power outlet and the Base Station.</td>
</tr>
<tr>
<td><strong>No Link to Dispatcher</strong></td>
<td>SimpliSafe cannot communicate with the Alarm Monitoring Service, for one of the following reasons:</td>
</tr>
<tr>
<td></td>
<td>• Your Alarm Monitoring Service is not active. Please check your account on our web or mobile app.</td>
</tr>
<tr>
<td></td>
<td>• The Base Station is located in an area with poor cellular coverage. Move it near a window for better reception.</td>
</tr>
<tr>
<td></td>
<td>• Your wifi connection is weak or not yet set up. Wifi can provide a secondary connection to the Alarm Monitoring center.</td>
</tr>
</tbody>
</table>
Common Questions

**How do I move a sensor?**
To move a sensor, push up on the front of the sensor in the direction of the test button—the back will stay on the wall and the white adhesive tape tab will be visible. Pull **down** (not out) slowly on the tab until the back is removed from the wall.

When you are ready to re-adhere the sensor in a new location, use a fresh piece of adhesive tape (extras have been included).

**What if I have a door or window open when I turn on the alarm?**
Your SimpliSafe alarm will warn you that a door or window is open when you turn the alarm on. Open doors or windows will not be protected until they are closed. Once they are closed, the Base Station will start monitoring them.

**What happens if I accidentally trigger an alarm? How do I avoid false alarms?**
Enter your PIN on the Keypad or press “off” on the Key Fob to stop the siren. If you cancel the alarm within a few seconds, the Emergency Dispatch Center will abort the alarm. Otherwise, they will call the numbers you provided to confirm the false alarm. After the operator has verified your identity (please have your Safe Word handy), he or she will cancel any alarms. To avoid the most common causes of false alarms:

- Do not place Motion Sensors near a heater or air conditioner, or facing an open window. If you have large pets, please refer to the instructions on page 4.
- Make sure that a rattling window or door does not trigger an Entry Sensor. Each magnet should be as close as possible to the Entry Sensor.

If you’re still having trouble with false alarms, please contact SimpliSafe support.

**Can I get a discount on my homeowners or renters insurance?**
Most insurance carriers will provide you with a discount for having a monitored home security system like SimpliSafe. To be eligible for this discount you must be subscribed to the Emergency Dispatch Service. Contact your insurance carrier for details.

**How can I test my Emergency Dispatch Service?**
After your 72 hour Practice Mode is over, select “Test Mode” in your Keypad menu and follow the prompts. This will cause your Base Station to send a test signal to the Emergency Dispatch Center. A dispatcher will contact you to let you know the test signal was successfully received.

**Will SimpliSafe work in the event of a power outage?**
Yes. All of your sensors are battery powered and the Base Station has a built-in rechargeable backup battery that provides power for up to 24 hours during a power outage.
How do I add or remove components?
If you need additional components, purchase more online at SimpliSafe.com/alarm-sensors and follow the included directions. To remove a device:

- In menu, select “devices”
- Find the device you’d like to remove in the list and select it with the right rocker
- Scroll to the bottom of the list and select the option “remove” with the right rocker
- Press “off” to exit the menu

Can I use SimpliSafe without the Dispatch Service?
Yes, but we don’t recommend it. Without the Emergency Dispatch Service, only the alarm siren will sound and no authorities will be called. The SimpliSafe Emergency Dispatch Service is easy to set up and can be canceled at any time.

How do I change the batteries?
Voice prompts will warn you when your batteries are low (battery life is approximately 1 year for a Keypad and 5 years for all other sensors). To change batteries, remove the component from the wall as described above. Replace the batteries behind the back panel and slide the component back into place. The Base Station backup battery is rechargeable and does not normally need to be replaced.

What happens if my Key Fob is lost or stolen?
Your key fob will work for whoever has it in their possession. If you lose your key fob, you should disable it by going into the menu and removing it from your list of devices (you can easily add it back later). If you are concerned about the security of your key fob, you can disable its ability to turn the alarm on and off in the device settings. You will still be able to use it as a portable panic button within your home.
**System Updates**

SimpliSafe may occasionally receive optional system updates to add features and functionality. If your system is connected to wifi and there is an update available, you will see a gear symbol 🔄 on the left side of your Keypad’s screen. Press the off button to refresh your Keypad’s screen to determine if an update is available. To accept the update, follow the prompts and wait for your Base Station and Keypad to reboot. The update process may take between 10 and 20 minutes, during which your system will be offline. After the update is complete, you will have to select the gear icon on each additional Keypad you own to update them as well.

**Product Safety Information**

Use only approved batteries and the supplied UL approved power adapter with your SimpliSafe Home Security System. Any tampering with the product or other unauthorized use will void your limited warranty. To prevent a fire hazard or electrical shock, do not expose the Base Station (SSBS3) or other components to water or operate the System while you are wet or standing in water. Be sure that electrical and telephone cords used are not frayed or placed in a location where they can pose a danger.

Caution: To ensure proper operation, this equipment must be installed according to the enclosed installation instructions. To verify that the equipment is operating properly and can successfully report an alarm, this equipment must be tested immediately after installation, and periodically thereafter, according to the enclosed test instructions (pages 17-18).

Caution: Please verify periodically that components remain firmly adhered. A falling component could harm a passing person. Also, swallowing a small piece, such as a magnet or battery could be harmful. Please keep them away from children.

**Power Supply:**

Input: 100-240 VAC, 50/60Hz, 0.4A Max, Output: 6.5VDC, 1.6A  
DONGGUAN GANGQI ELECTRONIC CO LTD, GQ12-065160-AU

**Batteries:**

Base Station: Four (4) Eneloop BK-3MCCA, 1.2V min 1900mAh OR FB 1000, 1.2V, 1000mAh, NiMh.  
(Note: NiMh batteries must be recycled or disposed of properly). Keypad: four 1.5V Alkaline, size AA.  

**Operating Temp:** 32° F to 120° F, 90% maximum humidity
Terms of Sale

Please review these Terms of Sale carefully as these terms govern your purchase of the products in your order (the "System") from SimpliSafe, Inc. ("SimpliSafe") and set out your rights and obligations with respect to your purchases, including important limitations and exclusions, such as those contained in our product warranties. These are the Terms of Sale under which we are willing to provide you with the System and requires the use of binding arbitration to resolve disputes rather than jury trials or class actions (described in detail below). Please be certain you understand them.

By using the System, you agree that you have read these Terms of Sale and are legally bound by these Terms of Sale, including the disclaimers, limitations of liability and indemnity obligations below.

U.S. Sales Only

Purchases from SimpliSafe are available only in the United States. You agree not to use or attempt to use any SimpliSafe product or service from outside of the United States or for any illegal or unlawful purpose.

Sales to End Users Only

Purchases made through the SimpliSafe website are for end user customers only. Sales to dealers, resellers or distributors or any other third-party are prohibited.

Limited Warranty

SimpliSafe warrants to you, the initial purchaser of the System, that the System will be free from defects in materials and workmanship under normal use and service for 3 years from the date that you purchase the product.

SimpliSafe’s sole obligations shall be limited within the warranty period to accepting return of the defective product or part and delivering to you an equivalent product or part to replace the defective item. Replacement products may be new or reconditioned, at the sole option of SimpliSafe. SimpliSafe warrants any replaced product for 3 years from the time of replacement.

For warranty service, please contact SimpliSafe Customer Support at 1-888-95-SIMPLI (957-4675) or visit www.simplisafe.com/support and click on "Contact Us". If SimpliSafe is unable to address the issue that you are facing, SimpliSafe will send you a replacement product or part along with a postage prepaid return slip, and you will return your old product or part to SimpliSafe using such slip.

This Limited Warranty does not apply in the following cases: failure to follow installation or operating instructions, misuse (which includes, without limitation, using products outdoors unless outdoor use is expressly permitted, and in such cases only as directed), alteration, abuse, accident or tampering, or damage or non-performance resulting from use of any item or repair services not provided by SimpliSafe. This Limited Warranty also does not apply if damage was caused by Acts of God, natural disasters, labor disputes, war, terrorism, civil strife, or other causes beyond SimpliSafe’s control. Battery replacement is excluded from this Limited Warranty. Products that are tested and found to be in good working condition (not defective) are not covered by this Limited Warranty.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, THIS LIMITED WARRANTY IS EXCLUSIVE AND EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, OBLIGATIONS OR LIABILITIES, WHETHER WRITTEN, ORAL, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE. SIMPLISAFE DISCLAIMS ALL STATUTORY AND IMPLIED WARRANTIES TO THE EXTENT PERMITTED BY LAW. INSOFAR AS SUCH WARRANTIES CANNOT BE DISCLAIMED, SIMPLISAFE LIMITS THE DURATION AND REMEDIES OF SUCH WARRANTIES TO THE DURATION OF THE LIMITED WARRANTY DESCRIBED ABOVE OR THE SHORTEST PERIOD ALLOWED BY LAW. IN NO CASE SHALL SIMPLISAFE OR ANY OF ITS AFFILIATES, DIRECTORS, OFFICERS, SHAREHOLDERS, EMPLOYEES, SUBCONTRACTORS, AGENTS OR REPRESENTATIVES (EACH, A "SIMPLISAFE PARTY" AND COLLECTIVELY, THE "SIMPLISAFE PARTIES") BE LIABLE TO YOU OR ANYONE ELSE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF THIS LIMITED WARRANTY OR ANY OTHER WARRANTIES WHATSOEVER. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. THEREFORE, THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

SimpliSafe does not represent that the System may not be compromised or circumvented; that the System will prevent any personal injury or property loss; or that the System will in all cases provide adequate warning or protection. You understand that the System may be interrupted, circumvented, unavailable (for a limited or extended time period) or otherwise compromised, including as a result of equipment designed or used by a third party for the purpose of causing false alarms or gaining unauthorized access to or otherwise affecting or controlling the System (including any Camera).

CONSEQUENTLY, NO SIMPLISAFE PARTY, AS DEFINED ABOVE, SHALL HAVE ANY LIABILITY FOR ANY LOSS, DAMAGE OR EXPENSE (COLLECTIVELY, "LOSSES"), INCLUDING ANY PROPERTY DAMAGE, PERSONAL INJURY (INCLUDING DEATH), ECONOMIC LOSSES OR ANY OTHER FORM OF LOSS, DAMAGE OR EXPENSE ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY A CLAIM THE SYSTEM FAILED TO GIVE WARNING. HOWEVER, IF ANY SIMPLISAFE PARTY, AS DEFINED ABOVE, IS HELD LIABLE, WHETHER DIRECTLY OR INDIRECTLY, FOR ANY LOSS ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY THIS LIMITED WARRANTY OR OTHERWISE, THE AGGREGATE LIABILITY OF ALL SIMPLISAFE PARTIES, AS DEFINED ABOVE, SHALL BE LIMITED TO THE PURCHASE PRICE OF THE SYSTEM, WHICH SHALL BE THE COMPLETE AND EXCLUSIVE REMEDY AGAINST THE SIMPLISAFE PARTIES, AS DEFINED ABOVE. YOU ACKNOWLEDGE AND AGREE THAT IT IS IMPractical AND EXTREMELY DiffICult TO DETERMINE THE ACTUAL DAMAGES, IF ANY, THAT MAY RESULT FROM A FAILURE OF THE SYSTEM TO GIVE WARNING. THIS AGREED-UPON AMOUNT (THE PURCHASE PRICE OF THE SYSTEM) IS NOT A PENALTY, AND IS THE SOLE REMEDY.

By purchasing from SimpliSafe, you acknowledge that you have had an opportunity to review SimpliSafe’s warranty terms, have done so to the degree you feel you need to be familiar with them, and you accept their terms and conditions, including the limitations, exclusions, and disclaimers.
Monitoring Services

Monitoring services will not be provided in connection with your purchase of the System unless you activate such services online through simplisafe.com or by calling SimpliSafe Customer Support at 1-888-95-SIMPLI (888-957-4675) (and as and when this feature becomes available, through the SimpliSafe mobile app). Monitoring Services are provided in accordance with SimpliSafe’s Terms of Service which can be found online at www.simplisafe.com/terms-of-service.

Services Provided Without Monitoring Subscription

If you activate service offerings made available in connection with a System that do not require a monitoring subscription (such as motion-detected alerts, cloud-based video recording and storage and/or video streaming services which may be made available, from time to time, in connection with a SimpliSafe security camera without a monitoring subscription) such services shall be provided in accordance with the Terms of Service that are applicable to such services which can be found at www.simplisafe.com/terms-of-service. For the avoidance of doubt, such services will not be provided unless or until you activate them online through the SimpliSafe mobile app or by calling SimpliSafe Customer Support at 1-888-95-SIMPLI (957-4675).

INSURANCE

THE PRICE OF THE SYSTEM IS UNRELATED TO THE VALUE OF PROPERTY LOCATED ON OR NEAR THE PREMISES AT WHICH THE SYSTEM IS LOCATED. NO PORTION OF THE PURCHASE PRICE IS FOR INSURANCE OR SHALL BE DEEMED OR CONSIDERED INSURANCE PREMIUMS. YOU ACKNOWLEDGE AND AGREE THAT SIMPLISAFE IS NOT AN INSURER AND SHALL NOT PROVIDE INSURANCE COVERAGE AGAINST ANY LOSSES, AS DEFINED ABOVE. TO THE EXTENT YOU WISH TO HAVE ANY INSURANCE COVERAGE FOR LOSSES, AS DEFINED ABOVE, IT IS YOUR RESPONSIBILITY TO PURCHASE AND MAINTAIN SEPARATE INSURANCE POLICIES FROM AN INSURANCE COMPANY OR COMPANIES, SOLELY AT YOUR COST AND EXPENSE, FOR COVERAGE AGAINST ALL LOSSES, AS DEFINED ABOVE, INCLUDING BUT NOT LIMITED TO THOSE ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY (I) THESE TERMS OF SALE, INCLUDING ANY BREACH OF ANY REPRESENTATION, WARRANTY, COVENANT OR OBLIGATION ARISING HEREEUNDER (II) THE SYSTEM, (III) THE ACTIVE OR PASSIVE SOLE, JOINT OR SEVERAL NEGLIGENCE OF ANY KIND OR DEGREE, (IV) THE IMPROPER OPERATION OR NON OPERATION OF THE SYSTEM, (V) BREADTH OF CONTRACT, EXPRESS OR IMPLIED, WHICH OCCURS BEFORE OR AFTER THE SIGNING OF THIS AGREEMENT (VI) BREADTH OF WARRANTY, EXPRESS OR IMPLIED. (VII) PRODUCT OR STRICT LIABILITY (VIII) LOSS OR DAMAGE TO OR MALFUNCTION OF FACILITIES NECESSARY TO OPERATE THE SYSTEM, TRANSMIT ANY SIGNAL TO OR RECEIVE SIGNALS AT ANY MONITORING FACILITY, (X) A CLAIM FOR SUBROGATION, INDEMNIFICATION OR CONTRIBUTION, OR (XI) A VIOLATION OF ANY APPLICABLE CONSUMER PROTECTION LAW OR ANY OTHER THEORY OF LIABILITY OR ALLEGED FAULT ON THE PART OF ANY SIMPLISAFE PARTY, AS DEFINED ABOVE (COLLECTIVELY, THE “COVERED CLAIMS”). RECOVERY FOR ANY LOSS, AS DEFINED ABOVE, SHALL BE LIMITED TO THE INSURANCE YOU PURCHASE SEPARATELY FROM AN INSURANCE COMPANY, IF ANY.

LIMITATIONS OF LIABILITY AND RELEASE

SimpliSafe does not accept liability for Systems purchased hereunder beyond the remedies set forth herein and in SimpliSafe’s limited warranty. In particular, as described in SimpliSafe’s limited warranty, SimpliSafe does not represent that the System may not be compromised or circumvented; that the System will prevent any personal injury or property loss; or that the System will in all cases provide adequate warning or protection. You understand that the System may be interrupted, circumvented, unavailable (for a limited or extended time period) or otherwise compromised, including as a result of equipment designed or used by a third party for the purpose of causing false alarms or gaining unauthorized access to or otherwise affecting or controlling the System (including any Camera). You understand that a properly installed and maintained alarm may only reduce the risk of a burglary, robbery or other events occurring without providing an alarm, but it is not an insurance or a guarantee that such will not occur or that there will be no personal injury or property loss as a result.

BY AGREEING TO THESE TERMS, YOU ARE RELEASING EACH SIMPLISAFE PARTY, AS DEFINED ABOVE, ON YOUR BEHALF AND ON BEHALF OF ALL OTHERS WHO MAKE CLAIMS UNDER THE TERMS OF SALE FROM ALL LOSSES, AS DEFINED ABOVE, ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY ANY COVERED CLAIM, AS DEFINED ABOVE. UNDER NO CIRCUMSTANCES WILL ANY SIMPLISAFE PARTY, AS DEFINED ABOVE, BE RESPONSIBLE OR LIABLE TO YOU FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES INCLUDING WITHOUT LIMITATION, DAMAGES FOR PERSONAL INJURY, DEATH OR DAMAGES TO PROPERTY. NOTWITHSTANDING THE FOREGOING, EVEN IF A SIMPLISAFE PARTY, AS DEFINED ABOVE, IS FOUND LIABLE FOR ANY LOSSES, AS DEFINED ABOVE, ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY ANY COVERED CLAIM, AS DEFINED ABOVE, ANY SUCH LIABILITY IN THE AGGREGATE OF ALL SIMPLISAFE PARTIES, AS DEFINED ABOVE, SHALL BE LIMITED TO THE PURCHASE PRICE OF THE SYSTEM, WHICH SHALL BE THE COMPLETE AND EXCLUSIVE REMEDY AGAINST ALL SIMPLISAFE PARTIES, AS DEFINED ABOVE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Release of Insured Losses; Waiver of Subrogation

You release all SimpliSafe Parties for all Losses covered by your insurance policies and for all insurance deductibles. You also waive and release any subrogation and other rights you or your insurance company may have against any SimpliSafe Party for money paid to you or on your behalf.

INDEMNIFICATION

IF ANYONE OTHER THAN YOU (INCLUDING YOUR INSURANCE COMPANY) ASKS ANY SIMPLISAFE PARTY, AS DEFINED ABOVE, TO PAY FOR ANY LOSSES, AS DEFINED ABOVE, INCLUDING ATTORNEYS’ FEES ARISING OUT OF OR IN CONNECTION WITH, DUE TO, OR CAUSED IN WHOLE OR IN PART BY ANY COVERED CLAIM, AS DEFINED ABOVE, YOU SHALL INDEMNIFY, DEFEND AND HOLD EACH SIMPLISAFE PARTY, AS DEFINED ABOVE, HARMLESS (WITHOUT ANY CONDITION THAT ANY OF THEM FIRST PAY), FOR ALL LOSSES, AS DEFINED ABOVE, INCLUDING ATTORNEYS’ FEES, ASSERTED AGAINST OR INCURRED BY SUCH PARTIES. THE DUTY TO DEFEND ARISES UPON THE ASSERTION OF A CLAIM OR DEMAND AGAINST SIMPLISAFE AND DOES SO REGARDLESS OF WHETHER SIMPLISAFE HAS BEEN FOUND LIABLE OR WHETHER SIMPLISAFE HAS INCURRED ANY EXPENSE. THE FOREGOING INDEMNIFICATION OBLIGATIONS MAY NOT BE ENFORCEABLE IN SOME STATES, SO SUCH OBLIGATIONS MAY NOT APPLY TO YOU.
Software

Software embedded within any SimpliSafe System is licensed to you under this section on a non-exclusive and limited basis, and not sold. You may use such software only in connection with the product in which it is embedded, and may not modify, distribute, copy or reverse engineer such software. All rights with respect to such software not licensed to you hereunder are fully reserved by SimpliSafe and/or its licensors.

Camera

If the System includes any camera or any other video-related equipment (collectively, the “Camera”), then with respect to the Camera, you acknowledge, understand and agree that (i) the Camera is intended to assist you, SimpliSafe and the monitoring facility in the verification of alarm events at your premises, not to reduce or eliminate any risk of loss, (ii) the Camera is not intended to detect or prevent unauthorized intrusion onto the premises or any other emergency condition, including fire, smoke, carbon monoxide, medical emergencies or water damage, (iii) you will use the Camera solely in connection with lawful recording practices on or near your Premises that at all times comply with the Terms of Service which can be found at www.simplisafe.com/terms-of-service, and no other purpose, (iv) you shall not use the Camera, or permit the use of the Camera, for any illegal or unlawful purpose, (v) you shall not use or permit the use of a Camera installed with a view where any person may have a reasonable expectation of privacy, including restrooms, dressing or changing areas, locker rooms or similar areas, (vi) you shall instruct all persons who may use the Camera of any limitations with respect to the Camera, (vii) you shall notify any person whose oral communication may be intercepted, recorded or transmitted by the Camera of any such interception, recording or transmission, and (viii) when and to the extent restricted or otherwise prohibited by applicable laws, YOU SHALL NOT INTERCEPT, RECORD OR TRANSMIT ANY ORAL COMMUNICATION OF ANY PERSON WITHOUT HAVING SUCH PERSON’S PERMISSION TO DO SO. Please refer to the SimpliSafe Privacy Policy at www.simplisafe.com/privacy-policy for important information regarding the recording of audio or video.

Life Safety Notice

If you purchase a System that includes smoke detectors or carbon monoxide detectors, or if you add smoke detectors or carbon monoxide detectors at a later time, there may be specific requirements or standards for the installation and location of such detectors. You should contact your local authority having jurisdiction or consult a qualified professional to assist in the installation, maintenance and location of such detectors. You have sole responsibility for complying with any and all codes, laws and standards that may apply to the installation, placement, and maintenance of the System.

Privacy

Please refer to SimpliSafe’s privacy policy at www.simplisafe.com/privacy-policy for important information about our collection, use and sharing of your personal information.

Dispute Resolution and Arbitration

PLEASE READ THIS SECTION CAREFULLY. FOLLOW THE INSTRUCTIONS BELOW IF YOU WISH TO OPT OUT OF THE REQUIREMENT OF ARBITRATION ON AN INDIVIDUAL BASIS. Certain portions of this section are deemed to be a “written agreement to arbitrate” pursuant to the Federal Arbitration Act. You and SimpliSafe agree that SimpliSafe intends that this section satisfies the “writing” requirement of the Federal Arbitration Act. In the event of any dispute or disagreement between the parties, or claim or question by a party, arising from or relating to these Terms of Sale or the breach hereof (collectively, a “Dispute”), the parties hereto shall use their best efforts to settle the Dispute. To this effect, the parties shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties. If the parties do not reach such solution within a period of 60 days then, upon notice by either party to the other, such Dispute shall be finally settled by arbitration administered by the American Arbitration Association in accordance with the provisions of its Consumer Arbitration Rules. Once the Dispute is submitted to the AAA for arbitration and each party pays the appropriate filing fees, the parties agree to equally share all costs of AAA arbitration, including Arbitrator fees and expenses. The parties will remain individually responsible for their own attorney costs or other non-AAA required costs. If an in-person arbitration hearing is required, then it will be conducted at the American Arbitration Association’s office in Boston, Massachusetts.

The arbitration will be heard and determined by a single neutral arbitrator selected by the AAA who is a retired judge or a lawyer with not less than 15 years of experience as a practicing member of the bar in the substantive practice area related to the Dispute, who will administer the proceedings in accordance with the AAA’s Consumer Arbitration Rules. The arbitrator will apply applicable law and the provisions of these Terms of Sale and will determine any Dispute according to the applicable law and facts based upon the record and no other basis. The arbitrator’s decision must consist of a written statement stating the disposition of each claim of the Dispute, and must provide a statement of the essential findings and conclusions on which the decision and any award (if any) is based. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

You can obtain the AAA procedures, rules, and fee information as follows:

AAA: 800.778.7879
http://www.adr.org/

In arbitration, as with a court, the arbitrator must honor the terms of these Terms of Sale and can award the prevailing party damages and other relief (including attorneys’ fees). However, WITH ARBITRATION (A) THERE IS NO JUDGE OR JURY; (B) THE ARBITRATION PROCEEDINGS AND ARBITRATION OUTCOME ARE SUBJECT TO CERTAIN CONFIDENTIALITY RULES, AND (C) JUDICIAL REVIEW OF THE ARBITRATION OUTCOME IS LIMITED. The parties agree that the arbitration shall be confidential. All parties to the arbitration will have the right, at their own expense, to be represented by an attorney or other advocate of their choosing.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IF YOU OR SIMPLISAFE WANT TO ASSERT A DISPUTE AGAINST THE OTHER, THEN YOU OR SIMPLISAFE MUST COMMENCE IT (BY DELIVERY OF WRITTEN NOTICE AS SET FORTH IN THE SECTION ENTITLED “OTHER TERMS AND CONDITIONS”) WITHIN 1 YEAR AFTER THE DISPUTE ARISES -- OR IT WILL BE FOREVER BARED.
NOTE:  This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. Operation is subject to the following two conditions:  (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Should any provision of the Terms of Sale (or portion of the Terms of Sale), or its application to any circumstances, be held illegal, invalid or unenforceable to any extent, the validity and enforceability of the remainder of the provision and the Terms of Sale, or of such provisions as applied to any other circumstances, shall not be affected thereby, and shall remain in full force and effect as valid, binding and continuing. When used in these Terms of Sale, the word “including” shall mean “including, but not limited to.”
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

To maintain the compliance with the FCC’s RF exposure guideline, place the Base Station at least 20 cm from nearby people.

Canadian Notices
This device complies with Part 15 of the FCC Rules and Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d’Industrie Canada applicables aux appareils radio exempts de licence. L’exploitation est autorisée aux deux conditions suivantes : (1) l’appareil ne doit pas produire de brouillage, et (2) l’utilisateur de l’appareil doit accepter tout brouillage radiélectrique subi, même si le brouillage est susceptible d’en compromettre le fonctionnement.

FCC and IC Radiation Exposure Statement:
This equipment complies with FCC and Canada radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Déclaration d’IC sur l’exposition aux radiations:
Cet équipement est conforme aux limites d’exposition aux radiations définies par le Canada pour des environnements non contrôlés. Cet émetteur ne doit pas être installé au même endroit ni utilisé avec une autre antenne ou un autre émetteur.

Emergency Evacuation Plan
Establish and regularly practice a plan of escape in the event of fire. The following steps are recommended by the National Fire Protection Association:
• Position your detector or your interior and/or exterior sounders so that they can be heard by all occupants.
• Determine two means of escape from each room. One path of escape should lead to the door that permits normal exit from the building. The other may be a window, should your path be impassable. Station an escape ladder at such windows if there is a long drop to the ground.
• Sketch a floor plan of the building. Show windows, doors, stairs, and rooftops that can be used to escape. Indicate escape routes for each room. Keep these routes free from obstruction and post copies of the escape routes in every room.
• Assure that all bedroom doors are shut while you are asleep. This will prevent deadly smoke from entering while you escape.
• Try the door. If the door is hot, check your alternate escape route. If the door is cool, open it cautiously. Be prepared to slam the door if smoke or heat rushes in.
• When smoke is present, crawl on the ground. Do not walk upright, since smoke rises and may overcome you. Clearer air is near the floor.
• Escape quickly; don’t panic.
• Establish a common meeting place outdoors, away from your house, where everyone can meet and then take steps to contact the authorities and account for those missing. Choose someone to assure that nobody returns to the house — many die going back.

NFPA Notice
This equipment should be installed in accordance with Chapter 2 of the National Fire Alarm Code, ANSI/NFPA 72, (National Fire Protection Association, Battery March Park, Quincy, MA 02269). Printed information describing proper installation, operation, testing, maintenance, evacuation planning, and repair service is to be provided with this equipment. Warning: Owner’s instruction notice: Not to be removed by anyone except occupant.”

This system must be checked by a qualified technician at least once every three (3) years.

UL985 Install
For a UL 985 installation, you must always secure the Base Station’s power adapter to the wall with a bracket. Please contact SimpliSafe for details.
**Keypad Quick Guide**

**Menu Navigation**
Press down on the sides of the screen to navigate the menu.

**Off, Home, Away**
Your system has 3 modes: Off, Home, and Away. Pressing Home or Away will arm your system and pressing Off will disarm it.

**Touch to Wake**
You can “wake up” the Keypad by touching the body of the Keypad.

**Menu**
To adjust settings press the menu button.
